#### RFP Addendum

**DELETE:** Closing Date & Time: on or before 3:00 PM Pacific Time on November 13, 2024

**ADD:** Closing Date & Time: on or before 3:00 PM Pacific Time on **November 18, 2024**

#### Questions and Answers

##### **Question #1**

Has a recent topographic survey been completed or is this the responsibility of the consultant?

##### **Response #1**

A topographic survey of the beach, parking lot, and immediate adjacent areas will be the responsibility of the successful proponent.

##### **Question #2**

Has geotechnical report been completed or is this the consultant required to complete this work?

##### **Response #2**

A geotechnical report has not been completed. The successful proponent will **not** be required to complete a detailed geotechnical study. The feasibility study shall include high level geotechnical or hydrotechnical considerations for footings and ramp design and shall recommend relevant studies required to proceed with detailed design.

##### **Question #3**

Will you consider an extension to the closing date?

##### **Response #3**

The revised closing date is on or before 3:00 PM Pacific Time on November 18, 2024.
