

2025 Rebates Available to RDN Residents

As part of the Regional District of Nanaimo's (RDN) commitment to mitigating climate change and supporting environmental stewardship, the RDN is accepting rebate applications from homeowners for environmentally friendly improvements to their properties. For 2025, \$267,500 in rebates is available with individual rebates ranging from \$150 to \$1,500 depending on the program. Rebates are awarded to qualifying applicants on a first-come, first-served basis until available funds are spent. Interested RDN residents are encouraged to apply early as funding is limited per rebate program. Available rebates are:

Water Stewardship

For all RDN residents (electoral area and municipal residents)

- [Irrigation Upgrades and Soil Improvements](#) - up to \$675
- [Rainwater Harvesting](#) - up to \$1,000
- [Wellhead Upgrades](#) - up to \$650
- [Well Water Testing](#) - up to \$300
 - *The above rebates open for application on January 15*
- [Septic System Upgrades](#) - up to \$700

Green Building

RDN residents (electoral area and municipal residents except the City of Nanaimo which has its own program)

- [Woodstove Exchanges](#) - up to \$1,500

Electoral Area residents only

- [Sustainable Development Checklist](#) - \$500 to \$1,000
- [Home Energy Assessments](#) - up to \$350
- [Graded Site-Cut Timber Use](#) - \$250
- [Fossil Fuel to Heat Pump Replacements](#) - \$1,000
- [Renewable Energy Systems](#) - \$250
- [Residential Electric Vehicle Charging Stations](#) - \$150

Eligibility criteria vary for each rebate program including where the resident lives within the RDN. Applicants should review all rebate information before applying to ensure the requirements are met. For more information on the RDN rebates available, eligibility and how to apply, visit rdn.bc.ca/rdn-rebates.
