French Creek Pollution Control Centre Expansion - Tree Clearing

Clearing of trees and stump removal will be done between February 24 and March 14, 2025, in the areas shown on the map below. This work is part of the French Creek Pollution Control Centre Stage IV Expansion and Odour Control Upgrade. All work is being performed in accordance with applicable environmental regulations and the Construction Environmental Management Plan for the project. For project information, visit getinvolved.rdn.ca/french-creek-expansion.

For your safety, please do not enter any work areas and obey signage and directions from the site crew. Access is not allowed unless authorized by the site supervisor.
