

Construction Notice

Carson Road, Hebert Road and Poplar Way: August 17 to December 2022

The Regional District of Nanaimo (RDN) will be installing new watermains on Carson Road, Hebert Road and Poplar Way in the Whiskey Creek area of Coombs/Hilliers, as shown in the map below, from mid-August to mid-December, 2022. One lane of traffic is expected to remain open at all times while the work is underway.

A brand-new water transmission main will be installed from the existing well site to the reservoir in order to replace the temporary overland watermain. In addition, the distribution pumps, control system and backup power will be modernized.

Further notices will be provided as needed, including any planned water service interruptions. Please visit rdn.bc.ca/whiskey-creek for more information about the Whiskey Creek Water Service Area. Sign up for water system alerts via email or text at vovent-alert.com/ca/community.
